

ON-SITE LASERMEDIC PRESENTS THE ALL INCLUSIVE PLAN: EVERYTHING YOU NEED!

For just the cost of a cartridge, On-Site LaserMedic will provide you with:

- Delivery to you within 4 business hours or next day based on your call time.
- On each delivery, you will receive a complete cleaning, check and vacuum.
- We will install the toner cartridge.
- We document all page counts. You will never pay for a cartridge that does not go full cycle!
- We pick up the empty cartridge each time and keep track of your inventory for you.
- We provide free Customer Service Support. This includes troubleshooting for any print quality issue!
- We provide documentation that shows when each delivery is made, what was delivered and picked up, what was done, and the page counts and yields that were calculated.

PLUS

A 100% service contract is included in the price of the cartridge. For as long as you use our cartridges, if anything goes wrong, we fix it! This includes all parts and labor, regardless of your usage – all you need to do is Just Add Paper!

There are so many great benefits:

- No need to inventory toner supplies
- Extensive documentation, guaranteed full cycle cartridge utilization.
- We deliver and install.
- We perform the manufacturers recommended preventive maintenance on every call.
- Extended printer life.
- Cleaner, crisper print quality.
- No-cost printer troubleshooting.
- No need to handle toner cartridges.
- We help you do your part in recycling.
- 100% money back guarantee.

You won't find a more economical way to maintain your printers!
